1. INTRODUCTION

Who We Are

Sekretariat Sukarelawan India (SSI) is an established, high-impact student volunteer organisation under the Student Affairs and Alumni Division (BHEPA) of Universiti Sains Malaysia (USM). For years, SSI has pioneered campus-wide social responsibility initiatives, bridging university undergraduates with real-world community development, healthcare advocacy, and youth volunteerism.

The “Chase the Light” Ethos

Pediatric cancer is a gruelling, exhausting race that no child or family should have to run alone. Long hospital isolations and invasive treatments often rob children of their simple joys of play and discovery. HOPE 5.0 (Hold Our Powerful Enthusiasm) was conceived not just as another charity drive, but as an engine of relentless empathy and tangible assistance.

Through an electrifying, Grand Prix–inspired campaign, we transform awareness into action. By partnering with HOPE 5.0, your organisation will not merely be writing a sponsorship cheque; you will be standing directly alongside brave pediatric warriors, actively fuelling life-saving cancer education, and projecting your corporate values across thousands of future leaders and community members.

2. EVENT OVERVIEW

HOPE 5.0 is an awareness and fundraising initiative culminating in an interactive Grand Prix festival, designed to celebrate young pediatric cancer fighters and to educate university youth.

Event at a Glance

Date & Time	Sunday, 11 April 2027, 2:00 PM – 8:00 PM
Venue	Padang Kawad & Dewan Utama Pelajar (DUP), USM Main Campus, Penang
Projected Turnout	300-500 active on-ground participants (students, university staff, families, and pediatric fighters)
Broader Reach	10,000+ digital and campus footfall across pre-event activations

Key Event Highlights

- **The RC Grand Prix Track.** Electric ride-on RC vehicle racing courses where pediatric cancer fighters from FOCCAN are celebrated as honorary Grand Prix drivers. Having multiple entertainment booth named as pit stops in the track
- **Interactive Medical & Education Zone.** Every registered student receives an activity passport that must be stamped at all healthcare and interactive booths before receiving university MyCSD co-curricular points, ensuring consistent, active booth traffic. Virtual reality cancer-cell exploration, bone marrow stem-cell donor drives, clinical science displays, and health screenings.

Anticipated Impact

- Direct financial and moral support for pediatric cancer fighters and their families through our primary beneficiary, FOCCAN.
- Demystification of cancer symptoms and prevention among university undergraduates.
- A proven track record from the previous HOPE series (HOPE 1.0 through 4.0), which mobilised hundreds of volunteers and channelled meaningful resources to community healthcare beneficiaries.

Collaborating Organisations

HOPE 5.0 is organised by SSI USM in collaboration with FOCCAN, MAKNA, NCSM, and MAPPAC.

3. AUDIENCE & DEMOGRAPHICS

Segment	Profile
Primary Demographic	University undergraduates and postgraduates (ages 19–26) across Science, Pharmacy, Computer Sciences, Engineering, Arts and Management.
Secondary Demographic	Academic faculty, university administrative staff, local Penang families, and NGO healthcare professionals.

Engagement Mechanics

- Official university accreditation through MyCSD points drives strong student attendance.
- The mandatory passport stamp mechanism converts passers-by into active participants, who spend an estimated 3–5 minutes engaging directly at each activation station.

Brand Alignment for Sponsors

- Direct, uncluttered access to an energetic Gen-Z youth demographic seeking socially conscious brands.
- Association with corporate social responsibility (CSR) initiatives recognised by USM leadership and national NGOs.

5. MARKETING & BRAND VISIBILITY PLAN

The Panoramic Instagram Campaign

Your brand will be integrated into three-panel continuous banner rollout across the official social media, ensuring sustained digital impressions across the student community. Post-event documentation, photo and video recaps featuring corporate branding will be published on HOPE 5.0 official social media pages as well.

On-Ground Activations & Brand Immersion

- Display sponsor logos on banners along the Padang Kawad and DUP.
- Direct product sampling or interactive promotional booths situated in activity zones.

Official Event Apparel & Merchandise

Sponsor logos will be printed on the official apparel of the 100-member ground mobilisation team and participants.

6. BUDGET BREAKDOWN & FINANCIAL ALLOCATION

HOPE 5.0 operates under strict governance and financial transparency. Every ringgit invested is strategically distributed to prioritise patient experience, clinical impact, and flawless campus operations.

Estimated Expenditure Allocation
